

Uniform Information for Sierra Cup Halftime Tournament
Saturday, October 18, 2008

Students are responsible to see that the uniform is complete and as perfect as possible for competition. Please check to see that no buttons are loose and that there are no spots or lint on the uniform. Make sure that you have your braids, cape and baldric attached to your uniform. If you need a skullcap---you know who you are--- make sure it is in your hat bag.

Make sure that you have two pairs of **CLEAN** white gloves for competition. Do not bring soiled gloves to competition. Keep the extra pair in your hat. If you need to cut the fingertips of the gloves, make sure that is done before arrival at school.

Make sure you are wearing **black** --not navy or brown--trouser socks, not anklet or crew socks.

If MBPA issues you a pair of gloves or socks on competition days, \$5.00 will be charged to your student account.

Please clean and polish your band shoes at home! Wrap each clean band shoe in an individual plastic bag to avoid transferring polish to the uniform. Do not wear your band shoes to the band room. Wear regular shoes with your black socks. Band shoes will be put on just before step off to insure that they are as clean as possible for competition.

Remember **NO JEWELRY OF ANY KIND** is to be worn with the uniform. Please remove all jewelry before coming to school. This insures that there will be no lost or misplaced items.

No makeup is to be worn with the uniform. This includes nail polish. Please remove nail polish before coming to school.

If each student follows these uniform guidelines, we will continue the Marauder Band tradition of looking classy at every event. If you have problems or uniform concerns while at the competition, Mrs. Burns will be available to assist you.
